RSM

All Vasquez Advantage Center team members are employees of the US firm and also utilize **RSM's** training, methodology, and tools.

Our Philippines senior audit team members have **3 to 10 years** experience with a **global CPA firm**.

Our Philippines office helps clients reduce payroll, occupancy, and HR/admin costs with average savings at **30-50%**.

Our accounting team members each have a minimum **BS in Accountancy** from **top colleges and universities** in the Philippines.

Take advantage of the US and Philippines time difference providing **overnight productivity**.

Daily oversight of all work processed by our Philippines office is performed by **US Partners**.

Widen your capabilities to meet more client requirements as you focus on strategy, internal efficiency, and operations.

Vasquez Advantage Center extends a **competitive price** to firms, helping to lower operational costs and provide ongoing **profitability**.

Testimonials from RSM Alliance Members and Other CPA Firms

"...jobs tend to shift and they've been very helpful in accommodating those last-minute changes and we look forward to working with Vasquez + Company going forward."

"Vasquez CPA has been instrumental in our growth as a firm. Their ability to acquire and retain excellent talent has allowed our firm to grow in a way that would not be possible if solely sourced in the United States."

"Each team member feels as if they are part of our team, and we have been so impressed and blessed to have found Vasquez in our pursuit of providing outsourced accounting and finance functions to nonprofit organizations across the United States."

"...thank you so much for all you have done in the past year... your willingness to lean in, especially at year-end when things are always crazy and a lot is going on just so we can get things done, serve our clients well, and grow together."
